

# PayPal Carding Stuff

THIS HAS BEEN TESTED FOR 2 IPADS

1 . A "CC" With Full Billing Information.

[Make Sure It's A Nice Bin (BIZ,CORP,GOLD,PLAT)]

2 . Socks5 Proxy Matching "CC" City+State

[If You Don't Know What Socks5 Proxy Is Google It Noob]

3 . A Freshly Made Email With "CC" Owners Name In It.

[Example If "CC" Owner's Name Is John Doe. Make Something Like John7Doe@hotmail.com]

-= THIS TUT IS BY CRIMES.WS FORCRIMES.WS MEMBERS -=

-= If Your Going To Leech It ATLEAST Give Us Credit

=====

Step 1 :

Go To The Amazon Website Create An Account Using The "CC" Billing Information And The Fresh E-mail You Created. Make Sure You Create The Account Thru The Socks5 Proxy.

Step 2 :

Once You Have Created Your Amazon Account It's Time To Make The Account Look Like If It Was Made By A Legit Buyer. Over The Last Few Years Amazon Has Been Getting Harder & Harder To Card They Review Each

Account When They Place There 1ST Order Therefore Add Something To Your Cart

(Anything Below \$100.00USD) Once You Have A Item Under \$100.00USD In Cart Sign Out Don't Card It Yet.

Wait 5 Hours Before Signing Back In! When You Sign Back In Make Sure Your On Socks5 Matching CC BILLING CITY+STATE. Once Your Logged In Check Out. If The CC You Used Is Good It Will Ship Once It Ships Your Ready To Move To Step 3.

Step 3 :

Once You Get A Tracking Number For You Item You Carded Under 100.00USD. Your Account Has Been Reviewed Now You Can Card Anything From 500-800 Without Any Problem. Enjoy
