

Get Unlimited Live Users Credit Cards - A Special Method

Well guys its my personal and working tested method ! you can easily hack alot of Credit cards by this method! its just a simple way to get CC FULLZ !! just follow mine instruction below and you can easily able to get Credit cards !

What you need ??

A Web host

A Script

A Brain

Step One - 1st you need to get the web hosting from any cheap providing

Step Two - Download The web hosting script from here : [Simple File Sharing and Storage](#).

Step Three - Download Pagebreeze Html Editiing software from here (Its just about 7MB) : [HTML Editor, Web Hosting, Website Creator, Search Engine Marketing - Free Download](#)

STep Four - Open Pagebreeze and open your HTML Script in editor ..

Step five - Edit the order page via Pagebreeze

Step Six - Go to the any free form generator service website. like some websites i m providing here [EmailMeForm - Online Form Builder](#). [Online Surveys](#), [Web Forms pForm - Free HTML Form Builder](#) - [Create Web Form Template Online Formstack](#) - [Online Form Builder](#)

Step Seven : Now create an form with you these information :

First Name:

Last Name:

Date of birth :

Address:

County :

City :

State :

Email:

Phone Num :

Zip Code :

Step Eight :

Save your form and palce the Html script on your website order page

Step Nine : Now go again to form generator website and create anothr forum with these information :

Credit Card Number :

Credit Card Type (Choose Drop Down Menu Option)

CVV :

Expire Date :

Now save this form and put this on order page on your script - Remember you need to link 1st form to second form (USE REDIRECT SYSTEM)

Step Ten : Edit your website script apperince and give some stlyish look

Step Eleven - After all the setup nd scripting upload and HTML web hosting script ..

Step Twelve : Now just you need to spread you website on diffrent forums and get visitors ..

NOTE : try to spread your web hosting service on Hacking forums with the tile cardable website hosting , hack cc hosting and such titles will bring you more credit cards..

Many web visitors = many credit cards !!

So this is the tutorial to get Credit cards from live users ! hope you all like it .
