

Instagram Verification Method *ALKR*

Step 1. Go onto the app store and download "Betternet VPN" its free. (Works best with betternet)

Step 2. Start your free trial for 7 days then you can cancel right there or actually pay it's up to you. (You must start the trial though)

Step 3. Once you do step 2, Click the button under the "Connect" button and put your location in Australia. Then click "CONNECT"

Step 4. Closeout instagram completely then reopen Instagram go to settings and you should it and you will find new things within your app!
