

Western Union Carding / E.x.p.l.o.i.t

+ Money On Hit Tutorial +

1. Needed Stuff to get your Transferring game on.

- Credit Card Details Needed.

Example:

4921818767100863

CVV: 773

Full name: Trevor J Thomas

Expires: 04/14

DOB: 22/Aug/1943 Country: United Kingdom

State: Stafford

City: Stafford

Address: 21 Nelson Way,

Post Code / ZIP: ST17 9LL

Phone: 01785257038

SSN:MMN: Smith

One of the many advantages of my tutorials, methods and schemes is that information has been gathered enough for about all countrys in Europe, areas in US and AU that in some cases you might not even need the full infos on a card to get a transfer from 500 to 2500 done let s say. Per example the UK LLoyds bank bin shown above

1.1 Bin Needed

Bin:

492181

Example Card:

Bin:

492181

Card Brand: VISA

Issuing Bank: LLOYDS TSB BANK PLC

Card Type: DEBIT

Card Level: CLASSIC

Iso Country Name: UNITED KINGDOM

This specific bin needs only Date of Birth in order to pass the Verified By Visa verification.

One other bin as the one shown above, a Poppulaire Bank France bin

Name : Kenny HORACE

Adress: Langellier bellevue Bât B1 Apprt 30City : Fort-de-France

Zip : 97200

Email : ti-ken97.2@hotmail.com

Phone : 0696059765

-

Cc nr : 5135360301060401
Exp date : november 2013
Cvv : 915
DOB : 30 / september / 1993
Bin:
513536
Card Brand: MASTERCARD
Issuing Bank: MASTERCARD FRANCE S.A.S.
Card Type: CREDIT
Card Level: STANDARD
Iso Country Name: FRANCE

Date of Birth of regular cvv2s can be looked up easily at [Here](#).

- Western Union carding's actual gimmick/trick is the card's bin working. With the info provided in this package you will be able to card amounts from \$100 to \$25,000 with sometimes regular credit cards, with a few easily made updates such as the easy/free date of birth intelius lookup. Each and every bin works different, amounts that can be transferred, ways to transfer the money and so on.

Card Bins:

- 492181 (UK)
- 513536 (FR)

Available Bins worldwide working with DOB (Date of Birth) alone (1748)
The On Hit Method of Transferring funds might be the most useful, easy and productive way to get the best out of your cvv2s.
A 5 minute process to have you : Funds are available for pick up by receiver status .

2.1 Go [Here](#)

Western Union® Money Transfer Service

- 1: Transfer Details
- 2: Payment
- 3: Review
- 4: Receipt

[Send Money](#) Button

1. Registration Form completed with credit card details and legit valid e-mail address.
2. Western Union Money Transfer Service page will be next. You will have the following info shown in the upper side of the page.

Western Union® Money Transfer Service

- 1: Transfer Details
- 2: Payment
- 3: Review
- 4: Receipt

This being the Transfer Details part.

I am sending money to : (Country)

I would like to use the following money transfer service

Money In Minutes *

Amount I would like to send *

*****NOTE*****

Enter the amount you want to send or to be received 2.

"Your send limit for this transaction is: £ 400,00. Your daily transaction limit will vary based on your transaction history. Certain countries impose lower transaction limits that prevent you sending amounts greater than the limits mandated by local law."

*****NOTE*****

In this case for United Kingdom the daily amount limit that can be send without extra verifications on certain bins is £ 400,00 .

Your Receiver will pick up approximately
469,00 Euro (EUR)

Conversion Rate:

1 United Kingdom Pound (£) = 1,1754507 Euro (EUR)

Amount entered: £ 399,00

Receiver Data Filled-

2.2 Payment Page

- Confirming CVV Code. Continue to next page

2.3 Review

- Confirm payment and receiver details. Check the Phone Number box.

The phone number must be entered as the same on card, there will be no calls from WesternUnion to confirm anything in the "Money On Hit" Method and also sometimes the Western Union bots check parts of the phone #'s listed with the banks.

- Check the I agree with terms and conditions box and send money

Send Amount (GBP):

£399,00

Change Amount

Money Transfer Fees:

£32,00

Total:

£431,00

2.4 Verified By Visa or / MasterCard Secure Code Page

- For this Lloyds bank bin 492181 the VBV wasn't activated, what it ask for is only the DOB (Date of Birth).
- Date Of birth entered, VBV Password created (123456mabla)
3.0 Receipt (Succes!)
(In the lower part of the receipt you can find the details wich are what this Money On Hit Tutorial is all about :

"Identity Verification Status: Not Verified
Remaining Online Transactions Allowed: 1
Identity Verification Process: Not Started"
Thank You for choosing Western Union.
Your money transfer has been sent and can be picked up at any Agent location in your receiver's area. You will receive an email confirming this transaction. Your receiver must have the Money Transfer Control Number (MTCN) shown below to pick up the money. You can send two (2) transactions in a 12-month period before you need to complete our easy identification process. Learn more start verification
Security Icon Receiver will have to show a photo ID at the Agent location to be able to receive the money.
Your Money Transfer Control Number (MTCN): 2006062899
Please use this number for any inquiries or to track the status online.
